News Reader (52114)

Description

Announcers and other broadcasters read news, sports, weather, commercial and public service messages and host entertainment and information programs for broadcast on radio or television. They are primarily employed by radio and television stations and networks and by commercial firms that produce advertisements for radio or television.

Responsibilities

Job duties

Here are some of the main activities and tasks that Announcers and other broadcasters have to perform, and some of the physical demands they involve:

- Select and introduce music, videos and other entertainment material for broadcast, and make commercial and public service announcements
- Act as host/hostess or master of ceremonies, introduce and interview guests and conduct proceedings of shows or programs
- Read news, sports and weather for radio and television
- Report on weather conditions using information provided by weather forecasting services
- Report on traffic conditions by maintaining contact with external sources of information or by observing traffic from air or land vehicle
- May present own material or material prepared by others.

Workplaces and employers

Here are the typical workplaces where Announcers and other broadcasters are employed and some of their main characteristics:

- Radio and television advertising firms
- Radio and television broadcasting networks and stations

Qualifications

Employment requirements

This is what you typically need for the job.

- Completion of a college radio or television arts program is usually required.
- Practical training, such as work at a college radio station, may be required.
- Talent and ability, as demonstrated during an audition, are important hiring criteria.
- Membership in a guild or union related to the occupation or type of performance may be required.
