## Script Writer (Radio)

### Description

Authors and writers plan, research and write books, scripts, storyboards, plays, essays, speeches and other non-journalistic articles for publication or presentation. They are employed by advertising agencies, governments, large corporations, private consulting firms, publishing firms, multimedia/new-media companies and other establishments, or they may be self-employed.

### Responsibilities

### Job duties

Here are some of the main activities and tasks that Authors and writers (except technical) have to perform, and some of the physical demands they involve:

- Novelists, playwrights, script writers, poets and other creative writers
- Conceive and write novels, plays, scripts, poetry and other material for publication or presentation
- May conduct research to establish factual content and to obtain other necessary information.
- Content writers (non-technical)
- Write e-copy, blog posts, e-books, podcasts and other forms of Web-based content
- Conduct research on a variety of topics to inform writing and may consult with clients to determine the goals of the writing.
- Copywriters
- Study and determine selling features of products and services and write text for advertisements and commercials.

### Qualifications

## Employment requirements

This is what you typically need for the job.

- Copywriters usually require a university degree or college diploma in French, English, marketing, advertising or another discipline.
- Creative writing programs are offered by universities and colleges.
- Talent and ability, as demonstrated by a portfolio of work, are important hiring criteria.
- Membership in a guild or union related to the occupation may be required.
